WHY APPLY FOR AWARDS?

"Although it's just a paper, you're able to reflect on everything you've accomplished in a term. Applying for awards makes you remember all the great things during your term, and allows you to celebrate all of your and your club's accomplishments."

Tracy Liu | University of the Pacific Capital Division

"It's a good way to vindicate all of the hard work and commitment that you've put into the past year (or half year for FTC) and it's really cool to get recognized with your fellow board members and friends from throughout the district."

Bill Truong | UC Santa Barbara Central Coast Division

"Because not only will it show others that they have accomplished things during the term, but it will give them something to aim for and also provide a way to put their school out on the map and gain support district wide!"

Isaac Miller | CSU Northridge Metro Division

"Members should apply for these awards because it gives them the chance to reflect on their work and their experiences in CKI over the course of the term, allowing them to express their passion and celebrate their accomplishments among others within the district as individuals and/or collectively as a club/division."

Josephine Molina | Folsom Lake College Capital Division

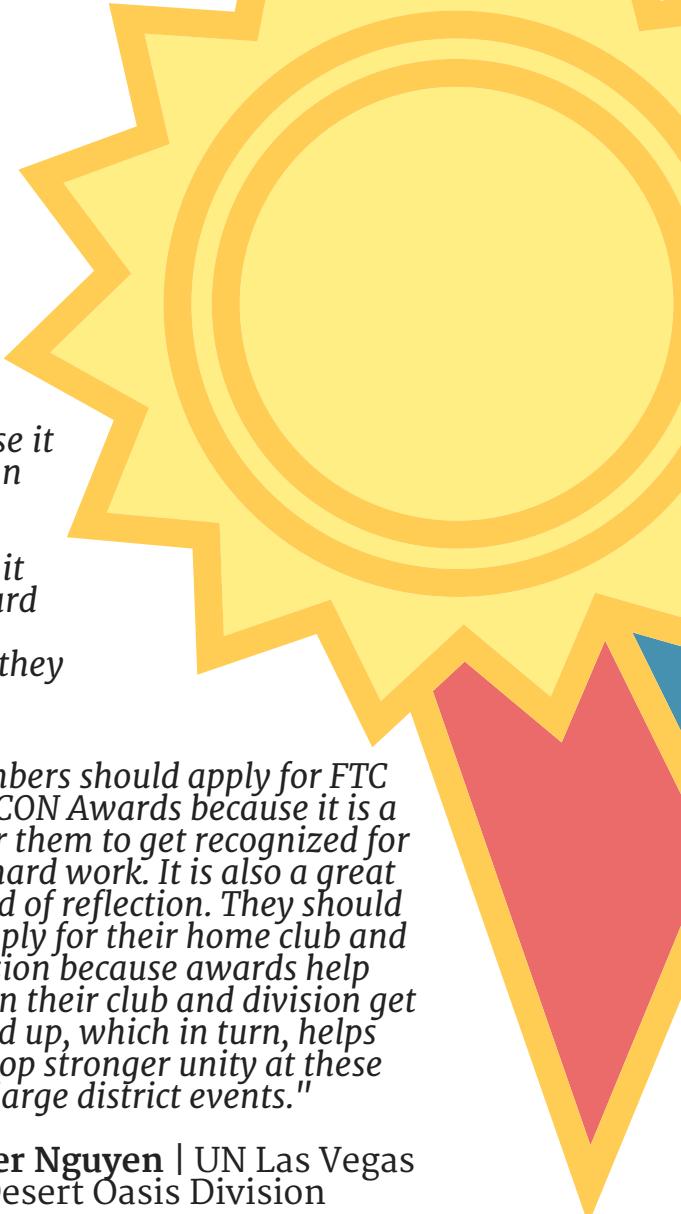

"It's a chance to recognize and celebrate members' hard work at a divisional/district level and for other schools to see individual schools' work and activity. Awards can also motivate for general members to strive towards when they see members of their home clubs receive awards."

Serena Hinh | UC Santa Cruz Sunset Division

"Winning awards is one way of showing validation to those who didn't believe in their abilities. Most people go in thinking they're not good enough and it's great that a majority of them are recognized by the district to show that YEAH YOU ARE GOOD ENOUGH. But it's also good for other schools to see who is recognized and sometimes being able to see what they do to get recognized and applying that to their own school. When you win you have a system that works and maybe that system can help others and that's a good reason to apply. Also it brings prestige to home club and helps to measure how the club has grown, most of the time."

Jennifer Hoang | CSU Fullerton Magic Kingdom Division

"It's a great opportunity to be recognized for all the hard work that they did for the club and showcase what they've been working on during the term that helps the club a lot. Applying for FTC and DCON awards does help members showcase the hard work that they done during the past year while being recognized for that."

Emmanuel Escobal | CSU East Bay
Golden Gate Division

"Members should apply for FTC and DCON awards because it is a great way to be recognized on a higher level and can inspire other members in the district to set goals for themselves to go above and beyond their unexpected capabilities. This would be very accomplishing because it allows them to take the moment to reflect on all their hard work that they have put into better themselves. Being recognized increases their confidence and enjoy the tasks they do."

Sandy Liang | CSU Northridge
Metro Division

"Members should definitely apply to FTC and DCON Awards it is a great way to achieve awards at divisional and district level. Awards definitely showcase all the individual's and club's hard work and dedication throughout the year. It also reflects the member's and club's growth and achievements within that year as well. Furthermore, it allows many to bond and celebrate their achievements throughout the district."

Vi Hoang | Orange Coast College
Magic Kingdom Division

"Members should apply for FTC and DCON Awards to look back at all the hard work they've done for not only their club, but for the organization as a whole. When you're a board officer, it's amazing how quick a term has passed, and you don't really realize how much work you've done or how many events you've been to. It doesn't hurt to fill out an award in the end."

Katelyn Duch | Orange Coast College
Magic Kingdom Division

"Members should apply for FTC and DCON Awards because it is a way for them to get recognized for their hard work. It is also a great method of reflection. They should also apply for their home club and division because awards help others in their club and division get hyped up, which in turn, helps develop stronger unity at these large district events."

Jennifer Nguyen | UN Las Vegas
Desert Oasis Division

"While we're busy managing CKI events, getting a higher education, and trying to get a foot into the world, it's very easy to forget about the impacts of what we're actually doing. Without any positive reinforcement, we can lose the motivation to keep our heads up. Awards are a physical representation of a 'Hey, you're excellent. Kudos to you!' They help remind members that the effort put their club was not forgotten. Even just applying shows the district that you are committed and passionate about your service. During FTC and DCON, the energy in the awards ceremony is simply electrifying... You'll feel fantastic cheering your friends on that you'll aim to be the very best you can be too!"

Jakob Woo-Ming | CSU San Marcos
Paradise Division

OVERALL TIPS AND TRICKS

1. START EARLY

Many of the awards require some time to fill out the application and the earlier you start, the earlier you will be able to double-check any mistakes and get feedback from others. If there are any errors with your submissions, you are able to go back and change any errors so that you won't receive any point deductions or disqualifications. Also, awards like the Total Achievement Award require lots of time and preparation.

2. READ ALL RULES AND DIRECTIONS

All rules regarding awards are displayed on the cover pages of the application. Please take the time to read all rules and direction so that you will not get penalized or even disqualified. If you are unclear about any rules and directions, please contact any of the District Member Recognition Committee members.

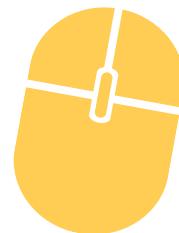

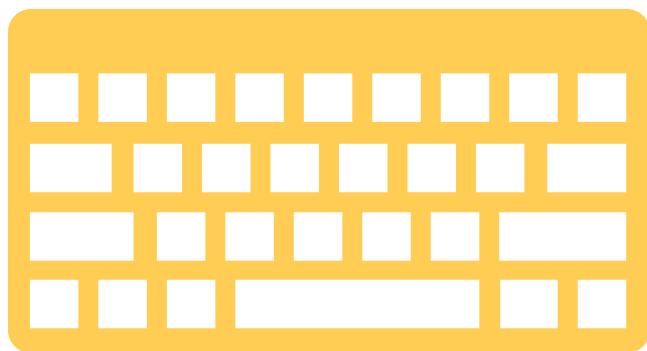

3. DELEGATE THE WORK

Work together with your board officers and members. They can give you suggestions on how to make the award applications better and that you are following the criteria for the awards. Some awards also require the help of multiple board officers such as the series Distinguished Board Officer Awards, where you will need letters of recommendation and Club Event Report Forms.

4. UTILIZE ALL RESOURCES

Resources such as the Master Records Sheet and the Monthly Report Form will help you fill your awards out more efficiently and thoroughly. Awards like the series of Distinguished Board Officer Awards will require you to submit an individual member's spreadsheet from the Master Records Sheet. In addition, your past and current board members and fellow Kiwanians are also great help when it comes to awards as they can help you with specific awards that pertain to them.

In addition, the District Member Recognition Committee is here for all of you! If you have any questions, contact any of the committee members and we will get to you as soon as possible. Also, we will be hosting office hours towards the District Convention award due dates, so keep an eye out for that.
